Share God's Light—Angels will guide you!

Church members, awake to the importance of the circulation of our literature, and devote more time to this work. Place in the homes of the people papers, tracts, and books that will preach the gospel in its several lines. There is no time to be lost. Let many give themselves willingly and unselfishly to the canvassing work, and thus help to sound a warning that is greatly needed. When the church takes up her appointed work, she will go forth "fair as the moon, clear as the sun, and terrible as an army with banners." CS pg. 147

Angels from the courts above will attend the steps of those who come and go at God's command. AH pg. 534

Antics of a frolicking raccoon! Raccoons are notorious for their mischief and 'streetwise' animal antics, but seldom has there been a raccoon that could match the career of Loony Coon. Life for the otters, geese, deer, skunks, and porcupines of the Campbells' wilderness home was always unpredictable when these bundles of energy showed up.
