

Oregon Conference Of Seventh-day Adventists

New Adventurer Club Charter

We resolve to always plan and operate our club to honor and glorify God, and we realize that the primary purpose of Adventurers is to lead children to Jesus, to teach them to love Him and to serve Him. The purpose of this program is to support parents and caregivers in leading and encouraging their children in a growing, joyful, love relationship with Jesus Christ.

We understand that the club is for the salvation, benefit, and enjoyment of children and their families. We will follow Seventh-day Adventist Church policies and cooperate with Church leaders. We will work in harmony with our sponsoring Church to make the club a loving and safe place for children to get to know Jesus.
