Gladstone Camp Meeting July 16-20, 2019

Welcome to Gladstone Camp Meeting!

I have been attending camp meeting from the time that I was just a few days old. Shortly after my parents brought me home from the hospital they made the two hour drive to the campus of Auburn Adventist Academy to Washington Camp Meeting to show me off to my grandma and aunts.

As a growing child, camp meeting experiences rank among my most memorable childhood recollections. Running around with new friends, playing games, attending exciting meetings led by enthusiastic pastors, volunteers and speakers who's one goal was to pass along through music, messages, and activities, how much Jesus loved and valued me (and every child). During my childhood years camp meeting was a formative time.

As a teen, becoming even more aware of my own responsibility to choose Jesus, the camp meeting experience was a solidifying time. The worship and messages were even more impactful as camp meeting circuit stars like Dick Duerksen (never dreamed I would one day serve on the same team with him) would creatively deliver Bible messages that captivated and convicted my curious adolescent mind and heart.

As a young adult, camp meeting became a time when I began to serve as a volunteer. Then as a pastor, I had the precious opportunity to pour into the next generations in the same way that those before me had done for me—beginning in Primary, then Juniors, Youth, and finally landing in Young Adults (I have to admit, the most fun years serving were in Primary, where 7-9 year olds are so enthusiastically wide-eyed and open-hearted!)

In my past decade as a Conference leader, my passion for camp meeting has continued. I love seeing people of every age experience the joys of gathering for pronto pups and pulpit potlatch, fellowship, and worship. It is a time to be regenerated by a fresh helping of God's amazing good news that—it's all about *Loving Jesus and others!*

May this year's camp meeting be such a time of refreshing for you!

We'll look at the ways trauma and adversity change our brain, behavior, and how we create relationships. Then we'll unpack how Jesus set up camp with people, got dirty, and found his own way of being with people in their pain and triumphs. What kind of love heals people? The kind we don't design - the kind without an agenda. People grow and heal when they are loved well. But what does that mean for people of faith in a world of so much pain and sorrow? You'll be challenged and comforted by the possibilities.

To have something posted, please bring your items to be posted to the Conference Office front desk by 5:00pm. Be prepared to leave those items. Items approved will be posted the following morning. Also, please note, **no photography or videography for public distribution without Conference administrative team approval.**

FOR SAFETY'S SAKE

SECURITY OFFICERS

All uniformed officers on the grounds have been trained and certified by the state of Oregon as security professionals. They patrol the campground 24-hours a day. Please cooperate with them. They are ensuring a safe and pleasant experience for everyone. Dispatch personnel are on duty around the clock in Locations.

FOR SAFETY'S SAKE

FIRST AID

First Aid is located at the **far end of the Security Building**. Basic first aid is provided by volunteer nurses, paramedics and EMTs. Open hours are **Sunday, July 14 to Saturday, July 20 from 7:00 am to 11:00 pm** and **Sunday, July 21 from 7:00 am to noon**. If First Aid is unoccupied, contact any camp meeting staff. If you need to contact First Aid between the hours of 11:00 pm and 7:00 am, please call 503-850-3351 or visit Dispatch at the Locations building.

CHILD SAFETY

The protection and safety of our children is a top priority. Please keep a close eye on them during your stay here. As an extra safety precaution, parents are encouraged to take a photo of their minor children after they are dressed each morning. If the child becomes separated or lost, that photo can be immediately sent out to the campground staff, making quickly locating the child much easier.

PROHIBITED

The following are prohibited on the grounds: **firearms, fireworks, smoking, vaping, tobacco, cannabis, alcoholic beverages and illegal drugs.** Also prohibited are **bicycles, skateboards, rollerblades, and scooters.**

ANIMALS & PETS

Animals and pets are not allowed on the grounds. Assistance animals are always welcome. Comfort, therapy, and emotional support animals **do not** meet the criteria for assistance animals under the ADA (Americans with Disabilities Act) and are not permitted on the grounds. Locations has a handout with options for people who need to board their pet. Assistance animals must be registered with Locations and receive a tag that must be displayed whenever the assistance animal is on the grounds.

COOKING

Cooking must be done in designated cooking areas only. Propane and white gas stoves are allowed. Containers must stay upright and secure at all times. Please have a fire extinguisher on hand for any cooking.

FOR SAFETY'S SAKE

PARKING

Please park in designated parking areas only. Display the parking permit with your name and contact information on the dashboard. If a vehicle is parked improperly, every attempt will be made to contact the owner before the vehicle is towed at the owner's expense.

All vehicles parked at an RV site must fit within the marked RV space and in such a way that the neighbors are not impeded or inconvenienced.

Vehicles are not to be parked in the tent areas, except while loading or unloading belongings.

If you wish to park off-grounds, please park in such a way that does not inconvenience our neighbors. Do not block driveways or roadways, etc. Help us keep a positive relationship with our community!

WALKING

Please be aware that the ground here is uneven and may pose a tripping hazard. Most hazards on paved walk-ways have been marked, however, if you locate a tripping hazard that is not marked, please inform campground staff.

If you need to cross Oatfield Road, please use the pedestrian crosswalks at 82nd Drive or Webster Road, rather than jaywalking.

CURFEW

Please be respectful of others and observe curfew and quiet time from **11:00 pm-7:00 am** daily. All exit gates will be closed between the hours of 11:00 pm and 6:00 am. The main gate will be the only point of access and egress during these hours. Main Street will be open to allow vehicles in the valley and main parking areas to enter or exit the grounds.

EMERGENCY

EMERGENCY VEHICLES

In case of an emergency, please clear a path for responding emergency vehicles and stay clear of the area until the incident has been resolved. Thank you for your help!

EMERGENCY

EMERGENCY CALLS

In case of life-threatening fire, medical or police emergency, call 911, then immediately notify any camp staff or call Dispatch at 503-850-3351. This will ensure that first responders can be quickly directed to the proper location. We suggest you put the Dispatch number in your phone now so you will have it when needed.
