1. **New Friends:** Cut a big heart out of cardstock or cardboard and have the children write ideas of things they can share with others. You can punch holes around the heart and use yarn or ribbon to make it into a lacing craft.

4. **In and Out of Prison:** Have children trace their hands with thumbs next to each other and then cut out but make sure not to cut the thumbs apart so it makes praying hands. Write “people I’m praying for” in the middle, and then on each finger write the names of who they want to pray for. This will help them remember to pray for that person each day.
