Seven Churches. One Savior. One Final Call.

Letters & Lampstands

What if these letters are more than ancient words on a page? What if they are the voice of Jesus speaking to the hearts of His daughters, inviting us to wake up, draw near, and respond with deeper devotion?

This weekend, we'll open the letters to the seven churches and listen for the loving, searching call of Jesus within them. In these letters, **Jesus lovingly calls His people beyond casual faith and into a deeper commitment** and discover what Jesus was saying to the churches then—and what He may be whispering to our hearts now.

Come ready to be reminded that Jesus still speaks, still loves, and still does everything He can to lead His people home. This weekend is more than a study of ancient letters—it is a personal reminder that He is reaching for you, calling you closer, and is lovingly guiding you all the way home.

*To the church...
He who has an ear,
let him hear what
the Spirit says to
the churches.*
